## HANLON GETS THE DECISION

Outpointed Yanger After the Sixteenth Round.

San Francisco, Sept. 29.—Eddie Hanlon tonight received the decision over Benny Yanger after 20 rounds of furious fighting. Up to the ninth Yanger had somewhat the better of it on points. From the 16th on Hanlon had Yanger at his mercy.

SAID TO HAVE WON FORTUNE.

New York, Sept. 29.—As a result of John A. Drake's Trinity Bell's sudden improvement in form yesterday at Moris Park, the stewards took up the sheets of the bookmakers and are investigating the race. Drake is reported to have won a fortune, backing the mare down from 20 to 1 to 7 to 1.

SHIVELEY TO STUMP OHIO.

Columbus, Sept. 29.—Chairman Dick, of the republican state central committee, today announced that among the speakers from outside Ohio who have accepted invitations to participate in the campaign is J. H. Shiveley, of Washington.

OVERPRODUCTION SAYS SIMPSON.

Captain A.M. Simpson tells the South Bend Pilot that he sees trouble ahead for sawmills and the lumber market. He says: "The trouble is over-production. Over 240 new mills, lumber and shingles, have been built on the Pacific slope during the past year and such a state of affairs can only result in disaster to many of these mills and, perhaps to many of the older ones. While this wholesale building of mills is going on several causes are operating to depress the lumber market. Over-production has dulled the edge of the Eastern market and added to this, is the fact that eastern white pine dealers have lowered the price of their goods in order to shut out the superior product of this coast; labor troubles are also operating against coast shipments to the east to a considerable extent. The foreign trade, while not so much affected by over-production, is largely in the hands of a few men and not everyone is getting his share of the trade. The dullness of the local, San Francisco, market, is caused purely and simply by over-production."

TRAIN RUNS OVER DOG.

A bird dog whose owner is unknown was run over by a train yesterday morning and killed. The dog was crossing the railroad track near the Schmidt cold-storage plant and was unable to get out of the way of the engine, which crushed out its life instantly. The dog was an Irish setter, and the collar that it wore was turned over to Sheriff Linville, in the hope that the owner may identify it.
